Enjoy the Benefits of Rural Living

Located just an hour and a half drive from downtown Toronto, the town of Simcoe is Norfolk County's largest urban area. Norfolk offers the best that rural living has to offer with both breathtaking natural scenery and excellent amenities.

The area boasts a lush park system, heritage sites, restaurants, a theatre, art galleries, and wineries. Whether it's the idea of hiking nature trails in the great outdoors or just the opportunity to live amongst a safe and friendly community where you have the space and freedom to do whatever you want, Norfolk has it all.

Work on Projects that You Can be Proud of

Currently, Vallee has an exciting opportunity for a **Project Architect** to join our team in Simcoe, ON on a full-time basis. Due to the pandemic, this role is operating on a remote basis but this role will require you to be onsite once the pandemic subsides.

As our new Project Architect, you'll work alongside our team as you assist us in our goal of providing quality architecture for our community. This role will see you manage a range of responsibilities that span drawing production, design development, specification and tender preparation, and organization of a technical team.

Due to an internal reorganization that is currently underway, this role can operate under two different paths based on your experience and preference:

1. This role can see you taking on responsibility for entire projects from the initial concept through to the completion of construction or,
2. This role can see you taking on responsibility for projects after the design stage, so that you would manage the construction document, tendering and construction phases.

More About You

In order to qualify for this role, you'll need **previous experience within an Architectural Firm** along with **knowledge of the Ontario Building Code**. An OAA license or provincial equivalent is preferred however individuals who have nearly achieved their OAA License will also be considered and are invited to apply.

As our ideal candidate, you'll join us with excellent communication skills and huge enthusiasm for the world of architecture. Your strong interpersonal skills will combine with your technical knowledge and experience to ensure your success as you drive our projects forward while always taking care to ensure a high-quality end result.

Your passion for the projects you work on will help to engage clients with our organization. Your dedication towards the work that you do, as well as your creativity and determination to improve and make things better, will help foster a positive working environment for the greater team that is working alongside you.

Above all, you'll be a strong team player who takes great pride in a job well done.

About the Benefits

In return for your hard work and dedication you will receive a **highly competitive salary** based on skills and experience along with the following excellent package:

- Health and dental benefits.
- Relocation assistance if you need to move closer to our office.
- RSP matching of up to 3%.
- Negotiable vacation.
- Flexible working hours.
- Huge opportunities to grow within our organization becoming an associate and then eventually a shareholder.
- Lots of social activities like our summer BBQs that we're eager to get back to as soon as COVID subsides.

Upon joining Vallee you'll be welcomed into a friendly environment where open communication is valued at all levels.
